

**Resident Accepting Facility (RAF) Exercise Evacuation Guide  
2017 Online Questionnaire**

Please provide a short response to the questions below, noting any positive comments and any areas for improvement.

<b>Core Capability 1:</b> Healthcare System Preparedness <b>Function 1:</b> Develop, refine or sustain Healthcare Coalitions.
Did you receive Communications from the Disaster Struck Facility and / or DOC?
<b>Core Capability 3:</b> Emergency Operations Coordination <b>Function 3:</b> Support healthcare response efforts through coordination of resources.
Did you need to contact the DOC for any assistance? Were they responsive?
<b>Core Capability 6:</b> Information Sharing <b>Function 1:</b> Provide healthcare situational awareness that contributes to the incident common operating picture (includes Patient Tracking).
Did you experience any problems or concerns with Emergency Reporting on the LTC-MAP website?
How were the residents tracked (did the tracking forms and phone calls work to “close the loop”)?
Did you complete a written response to the social media inject? If so did you submit it to <a href="mailto:photos@mutualaidplan.org">photos@mutualaidplan.org</a> ?
Did you complete a press statement? If so did you submit it to <a href="mailto:photos@mutualaidplan.org">photos@mutualaidplan.org</a> ?
<b>Core Capability 10:</b> Medical Surge <b>Function 3:</b> Provide assistance to healthcare with surge capacity and capability.
Did you set up an Intake / Triage Area? If so did you take and send photos to <a href="mailto:photos@mutualaidplan.org">photos@mutualaidplan.org</a> ?
What challenges (if any) did the facility have when using the Influx of Residents Log and cross-referenced with the Resident / Medical Record / Staff / Equipment Tracking sheet?

**Core Capability 10: Medical Surge**

**Function 1:** The Healthcare Coalition assists with the coordination of the healthcare organization response during incidents that require medical surge.

Did you implement your internal disaster notification plan and activate your Facility Command Center?

Did clinical / admissions team begin a new chart for the resident? (Please indicate if this was actually accomplished or simulated in a discussion)

Were care and sleeping areas for these residents identified and, if surging, was it discussed how these areas would be setup (beds, call devices, toileting, medical supplies)? (Please indicate if this was actually accomplished or simulated in a discussion and did you take and send photos to [photos@mutualaidplan.org](mailto:photos@mutualaidplan.org))

How did your facility "Close the Loop" with DOC?
