CT LTC-MAP Members,

THIS IS A DRILL

You are receiving this e-mail regarding the exercise currently underway.

One of the residents you plan to evacuate has medication (*narcotics*) that will be needed to be transported with them.

Please review this with your leadership team and detail in the space below how you will transport narcotics to the Resident Accepting Facilities.

Upon completion of today's exercises, please send your response to our office. Please click **Uploading Instructions** for further details.
