MassMAP Members,

Please see details regarding the MassMAP's response to COVID-19 Public Health Emergency.

MassMAP Response/Activation:

MassMAP will take direction from Massachusetts DPH as to how best utilize MassMAP during the response to COVID-19. At this point MassMAP is in a monitoring mode. In the event of a facility evacuation, surge, or response request, MassMAP may be activated to identify open beds or resources.

Personal Protective Equipment (PPE):

Coordination of the Resource Needs such as Personal Protective Equipment (PPE) is being conducted through the Regional Health & Medical Coordination Coalitions (HMCC). If you are in need of PPE's you should complete the following:
- Contact your primary vendor
- Contact your secondary or an alternate vendor
- Contact other partners (hospitals, other facilities)
- Contact your Regional HMCC
