

# COVID-19 Update: Optimization Strategies for Healthcare Personal Protective Equipment (PPE)

*You may participate in this COCA Call via Zoom or Facebook Live*

## Overview

During this COCA Call, presenters will provide a COVID-19 update and discuss strategies for healthcare facilities to optimize personal protective equipment (PPE) supplies such as eye protection, isolation gowns, facemasks, and N95 respirators.

 Due to the high demand we anticipate for this COCA Call, we encourage participants to consider viewing it on [Facebook Live](#).

There will only be a few slides for this COCA Call. The slide set is available under the "Call Materials" tab on the [COCA Call webpage](#). Slides will not

**Date:** Wednesday, March 25, 2020

**Time:** 2:00pm–3:00pm (ET)

**If joining through Zoom, please click the link below to join the webinar:**  
<https://www.zoomgov.com/j/1605586706>

**Or iPhone one-tap:**

US: +16692545252,,1605586706# or  
+16468287666,,1605586706#

**Or Telephone:**

US: +1 669 254 5252 or +1 646 828 7666

**Webinar ID:** 160 558 6706

advance during the presentation portion of this webinar.

Advanced registration is not required.

If you are unable to attend the live COCA Call, the recording will be available for viewing on the [COCA Call webpage](#) a few hours after the live event ends. It will be available for viewing **immediately after** the live event ends at 3:00pm ET on [COCA's Facebook page](#).

International numbers available:
